

A MOTHER'S LOVE.

What is More Beautiful than a Mother's Love?

"Who ran to help me when I fell
And would some pretty story tell
Or kiss the place to make it well,
My mother."

A mother's worries are many. She sometimes forgets her own bodily discomforts because of her overpowering love for the child. She becomes broken down, sleepless, nervous, irritable and feels tired from morning until night. Many mothers of experience can tell you that at such a time they have been relieved, benefited and strengthened and put into proper health by taking a prescription which their mothers had told them was the best woman's tonic and nerve to be taken at such times. Dr. Pierce's Favorite Prescription has enjoyed an enviable reputation for over a third of a century. In all that time it has sold more largely in the United States than any other tonic for women's needs, and to-day its sales are greater than ever. Dr. Pierce made up this prescription from native medicinal roots without the use of a particle of alcohol and for the single purpose of curing those diseases peculiar to women and when there is a lack of womanly strength to bear the burdens of maternal duty. How few women come to this critical time with adequate strength. The reason why so many women sink under the strain of motherhood is because they are unprepared. Is preparation then required for motherhood? asks the young woman. And every experienced mother answers—"Yes." "I unhesitatingly advise expectant mothers to use Dr. Pierce's Favorite Prescription," writes Mrs. J. W. G. Stephens, of Mila, Va. The reason for this advice is that Dr. Pierce's Favorite Prescription is the best preparative for the maternal function. No matter how healthy and strong a woman may be, she cannot use "Favorite Prescription" as a preparative for maternity without gain of health and comfort. But it is the women who are not strong who best appreciate the great benefits received from the use of "Favorite Prescription." For one thing its use makes the baby's a practically painless. It has in many cases reduced days of suffering to a brief few hours. It has changed the period of anxiety and struggle into a time of ease and comfort.

A DUTY WOMEN OWE THEMSELVES.

"Good actions speak louder than words," so, too, does the testimony of many thousands of women during a third of a century speak louder than mere claims not backed by any such record of cures. Miss Emma Betty, 1126 S. Olive Street, Indianapolis, Ind., Past Vice-President, Daughters of Pocahontas, Minneola Council, also Organist, South Baptist Church, Indianapolis, writes: "For several years I suffered with leucorrhoea, which was a serious drain on my vitality, sapping my strength and causing severe headaches, bearing-down pains and a general worn-out feeling, until I really had no desire to live. I had many medicines recommended to me and tried many, but did not get permanent relief until I took Dr. Pierce's Favorite Prescription. In two months I was much better and stronger, and in four months I was well. Have had no more disagreeable discharge, no more pain; so I have every reason to praise 'Favorite Pre-

scription.' I consider it without an equal for ills of women."

All the ingredients entering into Dr. Pierce's Favorite Prescription are printed in plain English on each bottle wrapper. Dr. Pierce thereby shows that he is not afraid to tell his patients just what this medicine is made of. This is not true of any other medicine especially designed for the cure of woman's peculiar ailments. This "Prescription" is also the only woman's medicine sold through druggists that does not contain a large percentage of alcohol; it contains not a drop.

As an indication of the high esteem in which the medical profession are coming to regard the several ingredients of which Dr. Pierce's Favorite Prescription, for weak and ailing women is composed, we have room here to insert only the following: Dr. John Fyfe, of Saugatuck, Conn., Editor of the Department of Therapeutics in THE ELECTRIC REVIEW says of Unicorn root (*Helonia dioica*) one of the chief ingredients of Dr. Pierce's Favorite Prescription: "A remedy which invariably acts as a uterine invigorator and always favors a condition which makes for normal activity of the entire reproductive system, cannot fail to be of great usefulness and of the utmost importance to the general practitioner of medicine."

"In Helonia we have a medicament which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." The following are among the leading indications for Helonia: Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constant sensation of heat in the region of the kidneys; menorrhagia, ("flooding") due to a weakened condition of the reproductive system; amenorrhoea, arising from or accompanying an abnormal condition of the digestive organs and an anemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen.

If more or less of the above symptoms are present, no invalid women can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonia.

BATTLE IN DARK WITH BAD NEGRO

Patrolman Hurley Has a Remarkable Experience.

By Flash of Winchester He Succeeded in Bringing Down His Dusky Antagonist.

RECEIVES SCRATCH ON NECK.

Patrolman Aaron Hurley of the depot beat, and Nelson Ellis, a negro, engaged in a Winchester and pistol duel last evening shortly after dusk in a two-story frame dwelling on the Illinois Central south lead, loading from Tennessee street to the south yards, and Ellis lies in Riverside hospital with a bullet wound in his hip, and Patrolman Hurley is suffering from a slight scratch on the neck caused by the grazing of a bullet from the negro's Winchester.

Ellis works for the Illinois Central at the coal chute. He got into a quarrel with his wife yesterday afternoon and securing his Winchester, a 32 caliber weapon, threatened to "clean out" the neighborhood. Policemen were dispatched to the scene and Patrolman Hurley with Special Policeman Patrick Kirk, of the Illinois Central, found the house in darkness when they arrived. Kirk went to the rear and Hurley to the front of the house. Hurley entered and saw in the dusk a form standing between the two rooms in a doorway. The officer demanded him to light a match.

The match flared up and quickly following came the sharp report of a Winchester from a corner of the room. The policeman realized he was in for it. Dropping on his knees he opened fire with his revolver. He pumped lead fast and furiously into the corner, being guided by the flashes of the Winchester. The hidden marksman after four shots from the officer's pistol, toppled over and cried for mercy. He had been winged, and on command of Hurley pushed his Winchester over to the officer.

The second negro, who proved to be L. Washington, was caught by Officer Kirk just as he was preparing to use his pistol. The Illinois Central policeman wrested it away from the darky and prevented an attack from this quarter.

Washington, while under arrest and unarmed, started towards Officer Hurley. He appeared to be looking for a fight and Officer Hurley was forced to strike him in the mouth with the butt of his revolver. Washington's front teeth were dislocated by the blow. It was sufficient to subdue him, and he went meekly to the police station while Ellis was carried to Riverside hospital where the bullet was removed from his hip.

Patrolman Hurley ducked after the first shot, which grazed his neck, and escaped the second, Ellis firing but twice.

Washington was arraigned in police court this morning for carrying concealed weapons, and the case left open for more evidence. Ellis is unable to be up, and will not be able to attend court for some time.

Caring for Animals.

Mr. Tom Sanders, special officer for the Humane society, is still doing good work in the cause of humanity. He has during the past week taken several horses out of harness because of their condition. The last was on market Saturday. The horse belonged to a negro express driver and was so thin and apparently nearly starved that the officer ordered him stabled indefinitely.

You cannot induce a lower animal to eat heartily when not feeling well. A sick dog starves himself, and gets well. The stomach, once overworked, must have rest the same as your feet or eyes. You don't have to starve to rest your stomach. KODOL FOR DYSPEPSIA takes up the work for your stomach, digests what you eat and gives it a rest. Puts it back in condition again. You can't feel good with a disordered stomach. Try Kodol. Sold by Lang Bros.

Thousands annually bear witness to the efficiency of Early Risers. These pleasant, reliable little pills have long borne a reputation second to none as a laxative and cathartic. Sold by Lang Bros.

Leon Chalmers, aged 79, was arrested in Evansville for horse-stealing. Just thirty-two years ago he was taken in custody in the same city for the same offense.

MAY BE LYNCHING IF MOB WINS RACE

After Negro Murderer, Escaped From Owensboro.

Tobacco Barns at Cobb Station Blown Down During Recent Severe Whirlstorm.

COUPLES MARRIED AT FULTON.

Owensboro, Ky., June 26.— Patrolman William H. Robbins was shot twice and perhaps fatally wounded on Fifth street this morning by Sylvester Basket, a negro, who was resisting arrest. Patrolman Ben Fielden, who was with Robbins, shot the negro through the arm, but he escaped. A posse of two hundred men is scouring the thickets below the city, in which the man is thought to be concealed. If found, he will almost certainly be shot or lynched.

Tobacco Barns Down.

Hopkinsville, Ky., June 26.— A series of exceptionally violent wind and rainstorms which swept over this section from Saturday night to this morning did considerable damage to farms. Everywhere wheat shocks were badly blown about and corn was severely damaged by being blown down. At Cobb Station Ky., tobacco barns belonging to W. H. Simms, J. T. Robinson and Alex Wallace were blown down, and the storage house belonging to the Farmers' Dark Tobacco association was moved nearly off its foundations. Mr. Simms' barn contained 15,000 pounds of tobacco.

Couple Too Young.

Fulton, Ky., June 26.— Ray Dublin and Miss Levie Smith, a Mayfield Ky., couple, were married here by Justice J. T. Futrell. Owing to their age the parents of the young lovers objected to the union. The latter with the assistance of friends eluded their parents and got aboard the fast train for Fulton, where they were quickly married. They returned to Mayfield.

Remark Betrays Wedding Secret.

Fulton Ky., June 26.— Miss Johnnie Cunningham and Chas. Sander-son, of Mayfield, Ky., were married here June 16. Their secret would not be announced even now if the bride, while here, to witness the Smith-Dublin wedding, had not made an inadvertent remark which gave away the secret.

Prompt Action Taken.

Promptly at the request of the board of works the Traction company is lowering its tracks on Jefferson street beyond Fountain avenue. This in fact would have been done several weeks ago, voluntarily by the Traction company but for a hitch in the city engineering department.

The many imitations of DeWitt's Witch Hazel Salve that are now before the public prove it the best. Ask for DeWitt's. Good for burns, scalds, chafed skin, eczema, tetter, cuts, bruises, boils and piles. Sold by Lang Bros.
